Attn: Hiring Manager,

It's my absolute pleasure to recommend Daniel Stouffer for a position with your organization. Daniel and I worked together for a couple of years on the website re-design at Ameriprise Financial and Columbia-Threadneedle.

I thoroughly enjoyed my time working with Daniel. I came to value his partnership and creative thinking. His collaborative style made working together feel effortless. He is honest, dependable, and incredibly hard-working.

Daniel is an impressive product management and user experience professional (IA/UXer) who consistently went above and beyond what was expected of him, always willing to jump in and fill any role that was needed to get the project done. He is absolutely a valuable asset to any team he is a part of.

Along with his indisputable talent, Daniel has always been an absolute joy to work with. He is a true team player, and always manages to foster positive discussions, and bring the best out of the rest of the team.

Without a doubt, I confidently recommend Daniel to join your team. As a dedicated and knowledgeable employee and an all-around great person, I know that he will be a great addition to your organization.

Please feel free to contact me at (612) 965-3103 should you like to discuss Daniel's qualifications and experience further. I'd be happy to expand on my recommendation.

Regards,

Meghan Drivdahl
